## Greek Theater Inference Worksheet

| This helps me:  | ?                                     | To know this:  |
|---|---------------------------------------|--|
| "It had its roots in religion and was sponsored by the city-state..." | What else did the city-state sponsor? | I know that religion was important to the Greeks, so theater must have been important too. |
| "It was both an obligation and a privilege for all citizens..."       |                                       | This confirms my first observation! It was a duty for people to attend the theater.        |
|   |                                       |  |
|   |                                       |  |
|   |                                       |  |
|   |                                       |  |
|   |                                       |  |
