

Student Name: _____

Mask Inference Worksheet

Directions: Carefully examine five masks. Try each one on. Talk to someone. Does wearing a mask make it harder or easier to be understood? Talk to someone who is wearing a mask. Is it harder or easier to know how someone is feeling when s/he is wearing a mask? Write a brief description of each mask. Finally, from the size, shape, color, and decoration make an inference about what each mask might be used for.

This mask looks like:	I think this mask might be used for:
